ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was received electronically at the Board of Patent Appeals and Interferences on February 15, 2008. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matters requiring attention prior to docketing are identified below.

APPEAL BRIEF, CLAIMS APPENDIX

A review of the Appeal Brief filed March 5, 2007 reveals that claims 7 and 12 in the Claims appendix of the Appeal Brief are not consistent as amended in the last entered amendment filed on June 13, 2006. The copy of the claims should be in proper format and should not include any markings such as brackets or underlining except for claims in a reissue application in accordance with 37 CFR 41.37(c)(1)(viii). Furthermore, the Claims Appendix cannot assume entry of After Final Submissions for which an Advisory Action (or other Office communication) has not advised of entry. *See also Manual of Patent Examining Procedure* (MPEP) § 1205.02 (8<sup>th</sup> ed. Rev. 6, Sept 2007) for details.

Specifically, claim 7, as provided in the Brief's Claims Appendix, reads: ". . . predetermined particular characteristic of a selected [[one]] one of said first members [[or]] and said second members . . . ." and claim 12 reads: ". . . first and second items has a predetermined unique . . . ."

However, in the last entered Amendment dated June 13, 2006, claim 7 reads: ". . . predetermined particular characteristic of a selected [[one]] one of said first members [[or]] and said second members . . . ." and claim 12 reads: ". . . first and second items has a predetermined unique characteristic". Appropriate correction of all claims provided in the Claims Appendix in proper format is required.

CONCLUSION

Accordingly, it is

ORDERED that the application is returned to the Examiner:

- 1) to hold the Appeal Brief defective, and require the Appellant to file a “paper” correcting the Appendix of Claims;
- 2) to acknowledge and consider any “paper” filed to correct the Appeal Brief, Appendix of Claims 7 and 12; and
- 3) for such further action as may be appropriate.

If there are any questions pertaining to this Order, please contact the Board of Patent Appeals and Interferences at 571-272-9797.
